“ Our sympathies with the loss of Grammy. We shared many sports events, FFA events, Fair Events and activities with Grammy and the Lasater family, Michael and Olivia. She was there cheering all her family on in whatever they were doing. There were many stories and tales of her sewing and church activities, too. The Duggan Family will miss seeing her! May these precious life moments carry you through these difficult times!

Love, Jack, Denise, Grace and Kim

“ Our condolences to all of Donna Dunard's family. We are thinking of you all and remembering Donna with fond affection. She was especially kind to help me (Pam) on two sewing projects for my kids that I've always been grateful for. Right before Beth's baby was born she finished up the baby quilt for me. Donna just dropped whatever she was doing and jumped in and got me out of a pickle. She did the same thing again with a sewing project for Katie right before her wedding. I was sooo grateful to her and her reply was one of, "Its no big deal, I was glad to help!" That's how I'll remember her. A kind soul who gave of herself to bless others. We are sorry we can't make her service. Our thoughts and prayers are with you all. Sincerely, Pam and John Pitt

“ Monte, my sincere condolences to you upon the passing of your mother, and to all the members of your family as well. Prayers for comfort, peace of spirit, and joy in your memories. Such a loss leaves a sharp-edged void that cannot be filled, but the edges will become a bit softer over time and easier to bear. Blessings to all of you. From Brian Shafer and family.
