“ If I could have attended today, I would have been there. Your Mom and I had lunch and dinner together every day. Her favorite topic of conversation was you (Nikki) and her grandchildren. That is how I knew where you worked so they could reach you. She and I were a team here at Troy Manor. I am the Resident Council President and Lyssa was my Vice-President. I miss her so much, but I know she is with our Lord. We will meet again someday.
