“ Greg has been there for our family and pulled us through so many vehicle crisis situations, while raising 4 teenage kids with busy hectic schedules. I can't count how many times he got our vehicles fixed quickly when I could see he was so busy and really didn't have time for us. Greg didn't just run a business, he genuinely cared about his customers, it was evident. We will always be grateful for the free work he did for Hallie while she was in college. He cared about her and pulled her through some stressful moments when she needed to get her vehicle up and running quickly to get to school or work. What a sweet, giving spirit he had . That smile on his face was contagious. He was a man that left an impression in our lives that went far beyond business dealings. We will hold those fond memories in our hearts and thank God for putting him in our path on this earth. And we look forward to the day that we will see him again in eternity. Cindy, you and your family are in our prayers.

“ I loved Greg and his passion for Lutheran Education. I was blessed to know him through LSAM as a fellow board member. He was so dedicated to our cause. He was all in with helping at events and attending board meetings and keeping us on track from the business side of things. We got along great and could kid each other and rely on each other to help mold kids through our LSAM organization. Greg always understood that LSAM was all about the kids and needed to be run properly as a Christian Business Organization to be successful. I cannot even describe what his partnership and friendship meant to me. His presence will continue to be felt whenever we gather as Christian friends for our LSAM events. I will miss that smile and the love he had for the kids. Dave Schoedel, friend and fellow LSAM member.
