I'm Free - Unknown

This poem is attributed to various authors and is also known by several different titles

Don't grieve for me, for now I'm free,

I'm following the path God laid for me.

I took his hand when I heard his call,

I turned my back and left it all.

I could not stay another day,

To laugh, to love, to work, to play.

Tasks left undone must stay that way,

I've found that peace at the close of the day.

If my parting has left a void,

Then fill it with remembered joy.

A friendship shared, a laugh, a kiss,

Ah yes, these things I too will miss.

Be not burdened with times of sorrow,

I wish you the sunshine of tomorrow.

My Life's been full, I savoured much,

Good friends, good times, a loved one's touch,

Perhaps my time seemed all too brief,

Don't lengthen it now with undue grief.

Lift up your heart and share with me,

God wanted me now, He set me free.

DeVera I feel your lost because I lost my Best Friend on Oct.19,2018. It wanted be easy but u put all sorrow in God hand he will help go down this road.I am crying trying to Write this note to u.I Love u always.Read this poem. Robert is still watching over u and the family.

“ My sweet DeVera my heartfelt condolences to you and the family, Robert will always be my birthday twin! I made a pot of chili in celebration of his life, what a man, his chili won the contest at our office, his rib tips were dynamite. Always cherish those warm memories. May God continue to provide strength and love to you during this difficult time.
